Mr. Harold C. King  
Commissioner  
Virginia Department of Highways  
and Transportation  
Richmond, Virginia 23219

Dear Mr. King:

This letter is in response to your letter to Mr. Fitzwater dated 27 September 1984.

Funds are being requested to cover the estimated costs of the lane improvements at the I-495/George Washington Memorial Parkway interchange. Since you state that you will be unable to assist us in justifying this expenditure, it would be premature to enter into a formal agreement at this time.

It is our intent to pursue these improvements, and, at such time as we have some assurance that funding will be available, we will initiate action on an agreement with your Department for implementation.

Sincerely,

/s/ James H. McDonald
